Introduction

This booklet provides a list of **Blue Advantage® (PPO)**'s network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the *Evidence of Coverage* and **Blue Advantage's** formulary.

When this pharmacy directory refers to “we,” “us,” or “our,” it means **Patrius Health**. When it refers to “plan” or “our plan,” it means “**Blue Advantage**”.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to plan enrollees. In most cases, your prescriptions are covered under **Blue Advantage** only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your *Evidence of Coverage*.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 12/03/2024. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost-sharing. We have marked these pharmacies with “**SAVE**” to distinguish them from other pharmacies in our network that offer standard cost-sharing. Cost-sharing information can be found in the Summary of Benefits. Only Preferred Mail Order and Preferred Extended Supply (**100+SAVE**) pharmacies can offer lower cost-sharing for a 100-day supply of our covered Tier 1, Tier 2, Tier 3, and Tier 4 prescription drugs. Non-preferred pharmacies do not offer lower cost-sharing for a 100-day supply of prescription drugs.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

This directory is for Mississippi including the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory, please call Member Services at **1-888-950-0705** (TTY users should call **711**). Monday - Friday, 8 a.m. – 8 p.m. CST. From October 1 to March 31, the hours of operation are Monday - Sunday, 8 a.m. – 8 p.m. CST. You may be required to leave a message for calls made after hours, weekends and holidays. Calls will be returned the next business day, or visit **www.PatriusHealth.com**.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

Blue Advantage's network pharmacies

Pharmacies are listed alphabetically by city and by type of pharmacy. The types of pharmacies in this directory appear in this order:

- Retail Pharmacies, including Chain Pharmacies
- Long-Term Care Pharmacies
- Home Infusion Pharmacies
- Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) Pharmacies
- Mail Order Pharmacies
- Specialty Pharmacies

Under each listing we also list additional pharmacy features. These features are identified on each page with the following key:

R = Retail Pharmacies. We have a nationwide network of pharmacies where you can get covered prescription drugs as a member of our plan.

SAVE = Preferred Cost-Sharing. Drugs from these pharmacies may cost less than other pharmacies in our network.

100 = 100-Day Supply. These are retail pharmacies that offer an extended (100-day) supply of medications.

100+SAVE = Extended Supply with Preferred Cost-Sharing. Drugs from these extended supply retail pharmacies may cost less than other pharmacies in our network.

LT = Long-Term Care Pharmacies. These are pharmacies that service long-term care nursing facilities. Residents of a long-term care facility may access their prescription drugs covered under **Blue Advantage** through the facility's long-term care pharmacy or another network long-term care pharmacy.

H = Home Infusion. Pharmacies that provide infused (IV) medicine in your home per doctor's order.

IN = Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) Pharmacies. Only Native Americans and Alaska Natives have access to Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) Pharmacies through **Blue Advantage's** pharmacy network. Those other than Native Americans and Alaskan Natives may be able to access these pharmacies under limited circumstances (e.g., emergencies).

S = Specialty Pharmacies that can provide specialty prescription drugs. These medications may have special storage and handling requirements.

24HR = Pharmacy is open 24-hours.

eRX = Pharmacy accepts electronic prescribing.

Note: Mail Order Pharmacies and Specialty Pharmacies are listed on page 39 of this directory. The key is also listed at the bottom of each Pharmacy Directory page for your reference.
